

REMARKS

Applicant has amended the abstract and the specification by rewriting the abstract and rearranging the specification in accordance with usual U.S. practice. In addition, the specification and claims were amended to correct minor typographical errors and to improve the claim language, and claims 15-18 were canceled without prejudice as to their underlying subject matter. No new matter has been added, nor has the scope of the pending claims been altered by these amendments.

Early action allowing the pending claims is solicited.

In the event the U.S. Patent and Trademark Office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing **Docket No. 360882016200**.
